A regular meeting of the Oregon Alpine Club was held last evening at the rooms at 7:30 o'clock. Mr. O. A. Aikie occupied the chair, and Mr. J. W. Weller, secretary, reported the following:

A Box to Be Left There.—A high tariff of labor, it will follow the tariff on goods, results in the policy of protection of those countries where cheap labor abounds. The abolition of tariff means the end of the American laborer, the rise of the American farmer, and the ruin of America as becoming more and more a nation of slaves.

Mr. Bullion.—What induced you, Maria, to tell Lord Brougham that the laboring class were "a set of stones"? What do you mean by that?

"Oh, no, why should it? The record of the parties will stand for the same. The delegates must have the original copy of the report of the committee in favor of the sugar planters, for whose enrichment the country is asked to be taxed.

The meeting adjourned.

NEWS OF THE NORTHWEST.

Paraphrase Summary of Oregon and Washington Happenings.

Expir Mill at Walla Walla—Thistles in Court.
Fort Townsend Custom House—A Seattle Detective in Trouble.

Ellensburg's electric light plant will be in operation by September 1. The contract has been let for the Masonic temple at Ellensburg to be completed Nov. 1. The assets of C. P. Hutchinson of Tacoma will not pay his creditors 10 cents on the dollar.

Seattle is sorely afflicted by burglars and tramps. William Hagan is the latest citizen who has suffered.

The two murdered Moritz brothers were buried today. A family, Carl and his wife, each brother was worth about \$50,000.

Cur Wallace, a young man who was entrusted with the keeping of \$61 by a dairy collector, has absconded and no trace of him is found.

Commencing August 15, the carpenters of Walla Walla will demand a reduction of the hours of toil to nine hours, the wages remaining the same.

Miss W. A. Hagan, the Seattle artist, who is suffering from cancer in the breast, is now in Columbus, Ohio. She writes that her health is improving and she has strong hopes of ultimate recovery.

Mrs. Molloy, the evangelist, is holding meetings at East Sound. Her husband, a successful business man, has been reported already, and lives generally in the city.

The Washington Lumber Company, of Tacoma, capital stock, \$50,000. Trustees: H. J. Ryman, John B. Lott, and A. Case. Its object is to engage in a general lumbering and logging business.

Gov. Sample has appointed the following notaries public: Henry S. Hazlett, of White, W. H. Doolittle, Mill of Kelso, P. M. Lott, of Kelso, and J. M. Peck, of Whitman. This is the third female notary appointed in the territory.

A merchant in Palouse City says that he purchased over \$50,000 in place gold last year, brought in by farmers who only sold it for \$100,000. The gold was in nuggets weighing two ounces. Excitement still continues over the recent finds in the mountainous country.

The big hotel project in Ellensburg, for which a valuable site is offered, will probably be carried through. The Ellensburg citizens will place Ellensburg on an equal footing with the city in the territory in the way of hotel facilities.

Whatcombs lake will soon have a steamer plying on it. It was purchased in Seattle by Will B. Lott, and will be a fine place for a thirty-eight foot, seven and one-half foot beam, and will draw about four feet of water, and will draw about four feet of water, and will draw about four feet of water.

Medical Lake Ledger: Medical lake, 2,400 feet above the level of the sea, or 300 feet higher than the level of the sea, and the bottom of the Grand Coulee is only 300 feet higher than the level of the sea, and the bottom of the Grand Coulee is only 300 feet higher than the level of the sea.

Articles of incorporation of the Lake Washington Steam Navigation Company were filed at Seattle Thursday. The incorporators are J. M. Thompson, J. T. Corbett, and J. M. Thompson, and the capital stock is \$250,000. The expressed objects of the company are to build, own, and operate steamships on Puget sound and inland waters in Washington territory; to buy, sell and lease real estate; to build, own, and operate steamships; and for the purpose of a public resort.

GOING HOME.

Covering 1885, by the Author.

No was a very old man, so old that the child of his grandchild lived in the same house, which was the beautiful home he had had in his own day. He had been a very old man, so old that the child of his grandchild lived in the same house, which was the beautiful home he had had in his own day. He had been a very old man, so old that the child of his grandchild lived in the same house, which was the beautiful home he had had in his own day.

THE USE OF OPIUM.

A Strange Story From China About a Child's Death.

The following opium story is from a newspaper published in China. It tells of a man who had been a very old man, so old that the child of his grandchild lived in the same house, which was the beautiful home he had had in his own day. He had been a very old man, so old that the child of his grandchild lived in the same house, which was the beautiful home he had had in his own day.

THE WALLA WALLA PAPER MILL.

Walla Walla, Wash. The location for the paper mill has been settled and water right secured. The mill will be built on a site of about three miles below town, where fine acres of ground has been secured. The site is a very fine one, and the mill will be built on a site of about three miles below town, where fine acres of ground has been secured.

THE PANAMA CANAL.

The Great Enterprise About to Collapse.

The Financial Condition of the Company and the Necessity for Immediate Liquidation.

Translated from Economiste Francaise of June 28.

We have at different times warned particularly the law of the Panama Canal Company to liquidate its affairs. The company, which was founded in 1879, has been in a state of financial collapse for some time. The company, which was founded in 1879, has been in a state of financial collapse for some time.

A ROYAL BIRD.
